SUGGESTED REQUIREMENT FOR RESTRICTION UNDER 37 C.F.R. §1.142(c)

Pursuant to 37 C.F.R. 1.142(c), the Applicant hereby suggests restriction of the claims of the present application to one of the following Groups:

- I. Claims 1-12 and 16 directed to a cable bolt; and
- II. Claims 13-15 and 17 directed to a method of forming a cable bolt.

The inventions in the above-identified Groups are likely to be subject to different classifications, and are likely to require different fields of search, thus the restriction is appropriate. If the Examiner restricts the claims as suggested above, the Applicant hereby elects, without traverse, Group 1 and requests the refund set forth in the Refund Request submitted herewith.

No fee is believed to be necessary. Should any fee be required, the Commissioner is authorized to charge our Deposit Account No. 06-0029 and notify us of the same.

Respectfully submitted,

FAEGRE & BENSON LLP
